

Dear Croatian Catholic Centre Sunshine,

Fitzgerald Road Level Crossing Removal Project – access changes

We're opening the new Fitzgerald Road bridge over the rail line six months ahead of schedule. In late July, traffic will flow freely on a level crossing free Fitzgerald Road, improving safety, reducing congestion and providing better local connections.

Croatian Catholic Centre final driveway works

From **7am Monday 4 July to Saturday 13 August** we will undertake final construction works on the northern driveway off Fitzgerald Road.

Works include installing drainage next to the current driveway, laying new kerbing, removing the temporary car park and building the new car park 20 metres north of the current location. We will also reinstate car parks in the north west corner of the car park.

Access will be maintained from Whitesides Avenue and the ceremonial driveway on Fitzgerald Road.

Traffic management will be in place to guide vehicles and pedestrians safely around the works.

How this will affect you

- Planned driveway closure and works from **7am to 6pm** between **Monday 4 July and Saturday 13 August**. We are committed to working with you to ensure our works do not impact funeral services.
- The ceremonial access will close for up to two days between **Tuesday 12 July and Friday 15 July** to complete final pavement works on Fitzgerald Road. During this time, access will be maintained via Whitesides Avenue only.
- Access to Croatian Catholic Centre Sunshine will be maintained from Whitesides Avenue and through the ceremonial driveway on Fitzgerald Road.
- Installation of temporary fencing around the construction works area.
- Removal of existing temporary accessibility car parks.
- Traffic management will be in place to assist road users.
